Daffodill Cricket Tours 2008

The Balconiers are celebrating their 35 Anniversary this year and have been running Supporters Trips for Glamorgan during all that time. Regretably many of the original followers are not with us anymore and obviously there are some who are passed the age whereby they are able to travel away. In the circumstances the Glamorgan Team and the Balconiers need to replace these past loyal supporters, I would appeal to every true Supporter to join these away trips as all followers of Glamorgan are most welcome whether they are Balconier Members or not in any case membership is only £2.

It goes without saying the more people that support the trips the greater the bargaining power I have when negotiating prices with Coach Companies and Hotels therefore your Support is always important as the more people come on a trip it brings the overall price down and everybody benefits. We have always given our Supporters excellent value and the Hotels we stay at are always of a high standard, given all these assurances David Hemp and his team would appreciate all the away support you can give them. If for any reason you are unable to travel on the Coach you can always join us at the Hotel as the more of us stay at the same Hotel the greater the atmosphere!

As far as this season Cricket Tours are concerned, if I take them one by one:----

Tour 1 :-I was unable to make a deal with the Park Inn (old Moat House Hotel) they wanted too much money for Single Rooms hence the reason for choosing the 3 star Westminster Hotel which is only 100 yards up the road. No single room supplement at this Hotels!!

Tour 2:--

Tour 3:--As on previous occasions when we play at Derby we choose to stay at Nottingham keeping to the Hotels and places we know best, hence the reason for doing the same this year again.

Tour 4:--The Lord's trip is always popular although the downside to this is that London Hotel prices are constantly on the high side, however I have been fortunate to reserve accommodation at the 4 star Danubius Hotel (what was known as the Westmoorland Hotel years ago) which is across the road from

Lord's.It's probable that I will negotiate a good by rail for this trip as I have done in the past, but the "window" for this will not be open for some weeks yet.

Tour 5:--Enjoying watching Cricket on the North Wales Coast in August and being able to stay at easily the best holiday resort in Wales--Llandudno and not only that,the fact we've been able to reserve accommodation at the "Imperial" the best Hotel in town makes this a trip not to be missed!

Tour 6:--Taunton is an ideal trip to finish the season off.The best deal I could negotiate was to stay at the Wessex Hotel Street,this was the Hotel we stayed at when we won the Championship in 1997 .Lets hope this trip will repeat itself!

We will be running a day trip to the Surrey ECB Trophy game at Cresselly Pembrokeshire on the 28/05/07 ie May Bank Holiday Monday.The same will true that if the team is successful in any of the one-day competitions we will be arranging away tripss for the Supporters.
